POTPOURRI

1. What were the plus points of the department/ event in the last Saarang and (/or) Lit Soc?

2. What were the drawbacks of the department/ event? Suggest solutions to the problems you have identified.

3. Detail the improvements you would bring about next year. List out new ideas you have for the department/ event and its structure.

4. As a Word Games Club coord, what activities you plan to undertake in association with the Word Games Club? Give ideas to improve student participation in the Word Games Club events.

5. Describe in detail your Sponsorship & PR strategies (if any) for the department/ event. Create a Spons write up (a 50-80 word write up about the club to attract sponsors) along with a list of potential sponsors or relevant organizations for the department.

6. What do you think is the role of FR for your event? How was this interaction last year, and what changes would you propose this year, to improve this interaction?

7. What events do you think the club should put up at the weekender to attract the attention of the freshies? Do you think a club collaboration would be feasible? Elaborate on your ideas.

8. Why are you the best person suited for this post?

9. Thus far, the word games club has had specialised coords who handled one event only. The proposed new system eliminates this specialisation Such that all coords will be club coords and hence be expected to contribute to every event in the vertical, as opposed to being in charge of a single event. What are the pros and cons of both systems? Which system would you prefer and why? If you think both can be improved upon, propose a different system.
